

Welcome Letter

Dear Participants,

Welcome to ICEIM 2019 Tokyo Conference. The objective of this Conference is to provide a platform to bring together researchers, scientists, engineers, academics and graduate students to share up-to-date research results. We are confident that during this time you will get the theoretical grounding, practical knowledge, and personal contacts that will help you build a long-term, profitable and sustainable communication among researchers and practitioners in the related fields.

The conference will include plenary lectures from distinguished scientists and technologists, keynote speeches, oral presentations and poster sessions. In addition, visits to the industrial places is arranged in the post conference activities. This Conference focuses around the theme: Materials Science and Engineering, Materials Properties, Measuring Methods and Applications, Methodology of Research and Analysis and Modeling, Materials Manufacturing and Processing and 3D printing material, nanomaterial.

Hope you could enjoy the conference and have an unforgettable experience in Tokyo.

Conference Chair

Prof. Muhammad Yahaya,

Universiti Kebangsaan Malaysia, Malaysia
